

MyTRB PROFILE SETUP INSTRUCTIONS (2020)

There are four (4) steps to setting up a new MyTRB profile. The first step also allows you to confirm whether or not you have an existing account. Those that have previously participated in TRB's Annual Meeting should already have a MyTRB profile, but Step One (1) provides an easy way to confirm past participant account statuses. **Step three (3) is important to get right. This is where you declare you are an employee of a DOT Sponsor, which ultimately ties back into how your participation fees are covered at no additional costs to UDOT.**
